Large Concertina Box Card

Thanks to Sam Calcott of Mixed-Up Crafts (UK), I created a congratulations card for a new baby and then used it for Christmas. The key are LARGE LETTER DIES to create your message. Enjoy!!

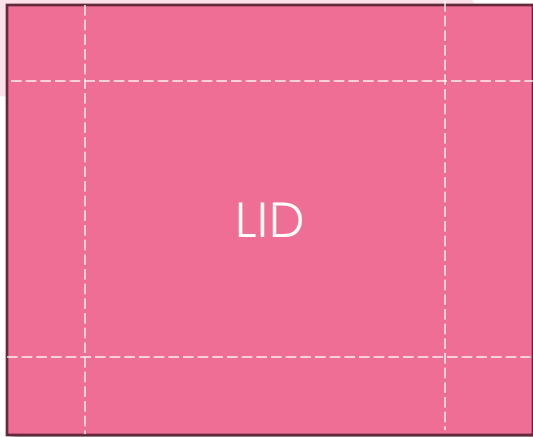

Before you Begin:

This guide provides you all the measurements needed for the project featured on my YOUTUBE channel. However, it can be adapted for your purposes.

- Embellishments make the difference – this is where you can search your craft room or go shopping for any embellishments to transform your project. This includes, rhinestones, glitter, iridescent card stock, ribbon and fanciful notions.*
- Glues are everything. I recommend COSMIC Shimmer (dries matt and non-sticky), Art Glitter Designer Adhesive (has a nozzle for small pieces), Distress Collage Medium for covering designs with glitter mixture and/or (my favorite) Ranger's ROCK CANDY Glitter.*
- Bear in mind NOT EVERY STEP or TIP can be conveyed on paper. I've added additional photos and notes for your reference. It is meant to inspire...*
- Use the accompanying Video Tutorial on YOUTUBE as your guide. Lastly, have fun!**
